**American Multinationals and Japan** Mark Mason 2020-03-23 "This pioneering study of United States direct investment in Japan will interest academic specialists, business managers, and government policymakers in America, Japan, and elsewhere. Drawing on rich historical materials from both sides of the Pacific, including corporate records and government documents never before made public, Mason examines the development of both Japanese policy towards foreign investment and the strategic responses of American corporations. This history is related in part through original case studies of Coca-Cola, Dow Chemical, Ford, General Motors, International Business Machines, Motorola, Otis Elevator, Texas Instruments, Western Electric, and Victor Talking Machine. The book seeks to explain why a little foreign direct investment has entered modern Japan. In contrast to the widely held view that emphasizes an alleged lack of effort on the part of

foreign corporations, this study finds that Japanese restrictions merit greater attention. Many analysts of the modern Japanese political economy identify the Japanese government as the key actor in initiating such restrictions. Mason finds that the influence of Japanese business has often proved more potent than these analysts suggest. This book offers fresh insights into both the operation of the modern Japanese political economy and of its relations with the world economy."

Fiji Daryl Tarte 2014-11-11 Few people have been in the unique position of being able to observe and record the dramatic changes that have taken place in the islands of Fiji over the past 80 years than fourth-generation citizen, Daryl Tarte. He writes emotively, in great detail, about his personal experience of growing up on a remote island during the colonial era, when races were segregated, and white people lived an elite existence. Following independence, he has been personally involved with many of the key economic, political and social activities that have evolved and enabled the nation to progress during the 20th century. These include the sugar industry, tourism, commerce and industry, religion, the media, women and of course, the coups. His observations into the complexities of leadership in these areas of national development are fascinating and perceptive. Much of the story is told through the eyes of the many people of all races with whom he has interacted. Fiji is made up of over 300 unique islands. Tarte has been to many of them, and in a final chapter he gives an insightful commentary of how different they all are.

*The Complete Trailer Sailor: How to Buy, Equip, and Handle Small Cruising Sailboats* Brian Gilbert 2007-06-22  
A soup-to-nuts introduction to small, economical sailing craft Trailer sailers--the smallest, most economical sailboats with sleeping accommodations--are a popular platform for learning the basics of sailing and are often considered to be the entry level to cruising under sail. Author Brian Gilbert shows how trailer sailers can be the ideal craft for a lifetime of enjoyment, including serious, long-distance cruising. This book covers all the bases, including how to inspect, buy, and equip a boat; how to trailer, sail, navigate, and cruise in small boats; how to use communications and navigation equipment; and more.

You need to tell a compelling story that moves the reader emotionally to give. *Raise More Money with Email* will equip you to do just that. In this book, Jeremy shows you how to: Understand the elements of what goes into an email appeal Write an effective email appeal Create a repeatable process for producing high quality nonprofit fundraising campaigns Generate more email addresses for your fundraising Build a nonprofit email marketing program that gets results You may be creating your first nonprofit fundraising email campaign, or perhaps you want to learn more so that your next effort generates improved results. Either way, this book will help you write more effective appeals that get results. This book will help your NGO get more results from your email marketing program. What Others Say About *Raise More Money with Email* Jeremy Reis brilliantly reveals the secret to crafting an email appeal that inspires response. Breaking down each component and presenting clear examples, he delivers exactly what you and your marketing team need to know. Understand this type of appeal in the context of other activities. Learn about how to measure results and genuinely thank all those who respond. You need to buy the book and apply these proven best practices immediately! - Tami Heim, President & CEO, Christian Leadership Alliance It has been my privilege to work with Jeremy for quite a few years. We,

at BBS, do respect Jeremy's high degree of professionalism and ability. Jeremy is unusual not just in his skills and perspective, but his willingness to keep his focus on his responses and relationships clear - not overwhelmed by fancy graphics or catering only to one generation. In this practical easy-to-use book, Jeremy will teach you how to write and work for response - he will help you communicate missionally with your donors and new friends while maximizing the bottom line. - Dale Berkey, President, BBS & Associates  
*Raise More Money with Email: Activate Digital Giving at Your Nonprofit*, is a must read for any nonprofit leader seeking to find that digital stream of revenue that has escaped them to this point. I can highly recommend this book. His ideas around the importance of email to fundraising, urgency and the key to keeping the donor as the hero and at the center of the story will empower the reader to lift their response rates immediately. - Timothy L. Smith, former CDO, Museum of the Bible  
This book is gold; full of real-world insights and actionable items that is sure to give any non-profit the tools and resources needed to effectively use email to fundraise. - Kyle Chowning, Full Cycle Marketing  
Jeremy Reis provides important information in email marketing trends and practical, easily implemented steps for the understaffed nonprofit marketer. He builds his case for why his methods work and then gives checklists and step-by-step directions to create effective campaigns. I plan to use his book to train staff and as a working reference to keep on track with creating well-performing email campaigns. - Renee Targos, Nonprofit Marketing Director I have known Jeremy to be relentless in his pursuit of understanding the methodologies of communicating to various audiences. This work has nuggets that can take many ministries into a new platforms of development, measurement and growth. I can endorse *Raise More Money with Email* without reservation and hesitation. I encourage all those engaged in the work we call ministry to engage with these concepts as positive change will be the result. - Ossie Mills, VP of Communications and Marketing, ORU

*INDIA'S NEW CAPITALISTS* Harish Damodaran 2018-11-25 It's

no secret that certain social groups have predominated India's business and trading history, with business traditionally being the preserve of particular 'Bania' communities. However, the past four or so decades have seen a widening of the social base of Indian capital, such that the social profile of Indian business has expanded beyond recognition, and entrepreneurship and commerce in India are no longer the exclusive bastion of the old mercantile castes. In this meticulously researched book – acclaimed for being the first social history to document and understand India's new entrepreneurial groups – Harish Damodaran looks to answer who the new 'wealth creators' are, as he traces the transitional entry of India's middle and lower peasant castes into the business world. Combining analytical rigour with journalistic flair, India's New Capitalists is an essential read for anyone seeking to understand the culture and evolution of business in contemporary South Asia.

**Auto Repair For Dummies** Deanna Sclar 2019-01-07 Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.
