Land Rover Series II, IIA and III John Harold Haynes 2013-02-01 A service and repair manual for the Land Rover series II, IIA & III.

Chrysler TorqueFlite A-904 & A-727 Tom Hand 2017-10-16 The A-904 and A-727, debuting in 1960 and 1962, respectively, are 3-speed automatic Chrysler TorqueFlite Transmissions. In Mopar circles, they have become synonymous with strength, durability, and performance. In fact, 43 years after its first application, A-904s were still found in the Jeep lineup! TorqueFlites are known for their dependability, but many have endured a tremendous amount of abuse over 50-plus years when hooked up to V-8 Mopar powerplants. There is little doubt that some of these automatics could be prone to

failure, or at least need a thorough rebuild.

Tom Hand shares his decades of experience rebuilding TorqueFlite transmissions with chapters dedicated to troubleshooting, disassembly and reassembly, performance modifications, post-installation procedures, and the most thorough source guide offered in print, ever. The author walks you through the TorqueFlite rebuild with color photos showcasing step-by-step procedures with highly detailed, easy-to-follow text.

This book will keep money in your pocket and add experience to your résumé, but more important, it will help you get your Mopar back on the road! p.pl

Radical Picasso Charles F. B. Miller 2022-01-11 "While the personality cult of Pablo Picasso still holds sway over his popular reputation, the force of his work has fallen into disuse.

In this groundbreaking and ambitious study, C. F. B. Miller uses that force to undo and remake our understanding of the twentieth century's most legendary artist. By critiquing this legend and showing how, even now, the art itself disrupts received ideas, Radical Picasso rethinks Picasso's function in the history of modernism. Presenting a fresh account of cubism as an art of negativity and excess, Miller juxtaposes early cubist painting with G. W. F. Hegel, high cubism with Plato and his critics, and 'synthetic' cubism with Walter Benjamin. The 'guitar' assemblages of 1926 radicalize collage, taking up the racialized and gendered remainders of modernist aesthetics. Next to surrealism, Picasso's sexuality becomes a biopolitical problem, while the Cru

1930, and the Picasso myth at large, intersect with the writings of Georges Bataille. At the same time we see how, from his arrival in the art market to the games he played with his self-image in the 1950s, Picasso exploited the very fictions of genius that today determine his posthumous brand. Ultimately, in deconstructing the institution we call 'Picasso,' Radical Picasso retrieves his art from misrepresentation and argues for its continuing use value as a means of thought"--

Bohemian Manifesto: A Field Guide to Living on the Edge Laren Stover  
2021-01-22 Bohemians don't care what the neighbors think. They live free and fearlessly, pursuing their ideals and artistic inclinations. This NEW EDITION of

Bohemian Manifesto is an exciting glimpse into the world of counterculture living, full-color dreaming and poetic revelations. Authors Laren Stover and Paul Himmelein deliver wit, whimsy, and insider wisdom as they build upon the five types of Bohemians—Folkloric , Beat, Dandy, Nouveau and Zen—exploring two additional Bohemian subsets: the earth-loving Fairy Folk with their mystical glamour, and the dapper denizens of the shadows, otherwise known as Dandy Goths, charmingly detailing their peculiar eccentricities and styles. The authors also expand on the elevated ethos, ecologically driven aesthetic and herbivore habits of the Zen Bohemian, the modern world's most likely saviors. With new illustrations by the acclaimed interior design
