Empowering Your Life with Angels Deb Baker 2004-10-05 Angels take many shapes and forms - some familiar, some otherworldly, and some that we don't even recognize as angels. The angels in our lives may be corporeal - having tangible bodies, living among us as people we know or strangers we encounter. Or they may be ethereal - splashes of light, shapes of shadow, perhaps even beatific beings complete with halos and gossamer wings. Empowering Your Life with Angels shows readers how to

recognize their own abilities to experience the presence of angels in their lives. Angels aren't here to grant every wish, but rather to provide guidance, direction, assurance, comfort, and protection in ways that help anyone grow and evolve. This new volume in the Empowering Your Life series provides exercises and meditations to help readers find and connect with their angels and spirit guides, and recognize their intervention in every aspect of their lives - love, work, health, and more. It also explores how readers can actually communicate with their angels through guided meditations, dreams, and other techniques. Readers are taught how to interpret the information received in angel messages and put it to use in every aspect of their lives. The book

also discusses how to heal emotions, as well as the physical and spiritual self with the help of angels - and how to become an angel yourself!
