Beneath the sea cliffs of the south coast, suicides are a sad but common fact. Yet even the hardened coastguard knows something is wrong when a beautiful young film actress is found lying dead on the beach one morning. Inspector Grant has to take a more professional attitude: death by suicide, however common, has to have a motive - just like murder...

Falling for Hadie Komal Kant 2013-04-06 Running away from his old life in New York City, Lincoln Bracks ends up in the small town of Statlen, Iowa. He isn't interested in making friends or getting to know anyone. He just wants to keep his

head down and disappear amongst the crowd. That was the plan anyway, until he meets Hadie Swinton. Nursing a broken heart and the realization that the boy she's loved her entire life isn't Prince Charming, Hadie is set against ever falling for the same type of guy again. But when new boy, Lincoln, arrives in town, she discovers that this is easier said than done. Hadie assumes that Lincoln is a typical arrogant jock-he is good-looking, confident and charming-but when he doesn't do anything she expects him to, she is intrigued by him against her better judgment. There is definitely more to Lincoln than just a

pretty face, but Lincoln is hiding something that he doesn't want anybody to discover because when they do, they will never look at him the same again. Falling in love was the last thing Lincoln wanted to do, so how will he convince himself to fall out of it? Recommended for mature readers aged 17+ due to language and sexual content.

The Assassination of Fred Hampton Jeffrey Haas
2019-11-05 Read the story behind the award-winning film Judas and the Black Messiah On December 4, 1969, attorney Jeff Haas was in a police lockup in Chicago, interviewing Fred Hampton's fiancée. Deborah Johnson described how the police pulled her from the room as Fred lay unconscious on their bed. She heard one officer say, "He's still alive." She then heard two shots. A second officer said, "He's good and dead now." She looked at Jeff and asked, "What can you do?" The Assassination of Fred Hampton remains Haas's personal account of how he and

People's Law Office partner Flint Taylor pursued Hampton's assassins, ultimately prevailing over unlimited government resources and FBI conspiracy. Fifty years later, Haas writes that there is still an urgent need for the revolutionary systemic changes Hampton was organizing to accomplish. Not only a story of justice delivered, this book spotlights Hampton as a dynamic community leader and an inspiration for those in the ongoing fight against injustice and police brutality.

Paper Flowers Erica Cope 2018-01-03 Cami Andrews is a girl on a mission. She's a girl with a

plan. A three-step plan, to be exact, and it hasn't failed her yet. Her best friend Oliver doesn't approve of the games she plays. He is a boy unwaveringly loyal. Loyal to a fault, but his patience is running thin. When Cami sees Peyton Holmes for the first time she knows that she wants him to be her next conquest, and when Cami sets her sights on something, she never fails. Not in life and certainly not in love. She always gets what she wants, even if she has to adjust her personality a little in the process. It might test her friendship with Oliver, but that's a chance she's willing to take. Unfortunately,

Peyton isn't like any other guy she's encountered before and getting him to fall for her is far more challenging than she ever expected. Has she lost her touch or is Peyton just immune to her charms? And is she willing to lose the friendship of the only person who truly knows her and embraces her flaws, in the pursuit of a guy? Maybe winning isn't everything it's cut out to be. Full of laugh-out-loud moments and heartbreaking revelations, Paper Flowers is a captivating tale about falling in love and finding the courage to be yourself along the way.

The Bright Effect Autumn Doughton 2015-11-16

"Maybe promises are supposed to hurt a little."

Amelia Bright has lots of plans for the future, and none of them involve falling for a guy like Sebastian Holbrook. With a questionable reputation and an attitude to match, he's exactly the kind of guy Amelia promised herself she'd avoid. But after an encounter that leaves her charged and breathless, she can't stop wondering about him and the secrets he keeps hidden behind that tough exterior. Sebastian knows firsthand that every single choice has a consequence and how a fragile promise can

shape a life. Now that his mother is gone and he's raising his little brother on his own, he's all but given up on a future for himself. Struggling to keep food on the table and a roof over their heads, Sebastian doesn't have time for games or girls. So why can't he shake thoughts of beautiful, smart Amelia Bright from his mind? Equally devastating and heartfelt, Amelia and Sebastian's story of a rare and unexpected connection is one that will stay with you long after the last page is read. Full of wit and tenderness, *The Bright Effect* is an unforgettable journey of expectations, regrets and discovering just how far love can

carry us in the face of heartbreak.

All the Wild Children Josh Stallings 2013-03-07 ANTHONY AWARD NOMINATED. From the author of the critically acclaimed Moses McGuire

crime series comes a brutally honest memoir. Raised in the 60's counter-culture, a teen in the 70's, and a father in the go go 80's. White boy in a ghetto high school. Guns. Drugs. Sex. Fatherhood. Heart warming, uplifting and tough. A life writ large. ****"Josh has done an incredible job with the hand life dealt him. I admire the hell outa that. All the Wild Children is simply Stunning." - KEN BRUEN****"What is most remarkable about All The Wild Children isn't the rhythmic fleetness of it's earnest prose, nor the relentless pace, nor the fantastic nature of its plot, nor, even, the fact that it is all true. What is most remarkable is that

Josh Stallings managed to survive malicious fate, addiction, and the belligerent idiocy of his youth, and somehow find some dregs of fortitude remaining that allowed him to put it all on the page with a rare degree of honesty; willingly admitting that truth is fleeting and that this is no more than his best recollection of the storms and what they left behind. Laughing in the face of brutal misfortune and epic poor judgement is a tonic. One that Stallings graciously invites us to imbibe with him. Drink up. God knows Josh did." - CHARLIE HUSTON****"Someday, this will read much better than it lived." - LARK STALLINGS

Elfin Quinn Loftis 2012-12-23 Before tonight

Cassie Tate's biggest concerns were whether she

could pass Algebra and how she was going to keep Elora, her best friend, from dressing her in a skimpy fairy costume for Halloween. Her feet were firmly planted in suburban reality and she had no reason to believe her life would be anything but that of a typical teenager. That is until tonight, when Cassie saw something that no human was ever supposed to see; in the blink of an eye she was thrown into the world of the Light and Dark Elves. He comes from a realm where light and dark have fought for millennia. He is of a race known to humans only in myths and legends. The darkness that lives inside him is a

part of both who and what he is and it makes him the most gifted spy and assassin in the history of his time. His life is not his own; he lives in the service of the Dark Elf King. He slays who he must, has mercy on no one, is relentless in his hunt, and never tires of seeing his prey fall. He is Triktapic, assassin, spy, most feared of the Dark Elves. Now, in the midst of his King's complicated plans to expand the Dark Elves' holdings into the mortal realm, for the first time, Trik finds his loyalties divided. For no Elf, Dark or Light, can turn away from their Chosen. Unbeknownst to the mortal realm, the battle between Light and Dark is

being brought to their doorstep. The only one who can keep it at bay holds darkness in his heart like a lover, and the one who can sway that heart must decide if she can look beyond his black past, beyond his evil nature and see the man he is destined to be. The questions must be asked, does love really cover a multitude of sins? Can true love actually conquer all or will his darkness consume those around him until all that stands is an assassin with the blood of the mortal realm on his hands?

Prince of Wolves Quinn Loftis 2011-06-29 Jaque Pierce was an ordinary 17-year-old girl getting ready to start her senior year in high school in Coldspring, TX when a mysterious foreign exchange student from Romania moves in across

the street. Jacque and her two best friends Sally and Jen don't realize the last two weeks of their summer are going to get a lot more interesting. From the moment Jacque sets eyes on Fane, she feels an instant connection, a pull like a moth to a flame. Little does she know that the flame she is drawn too is actually a Canis Lupus, werewolf, and she just happens to be his mate, the other half of his soul. The problem is Fane is not the only wolf in Coldspring. Just as Fane and Jacque are getting to know each other, another wolf steps out to try and claim Jacque as his mate. Fane will now have to fight for the right to

complete the mating bond, something that is his right by birth but is being denied him by a crazed Alpha. Will the love Fane has for Jacque be enough to give him the strength to defeat his enemy and will Jacque accept she is Fane's mate and complete the bond between them?

Drinking Caroline Knapp 1999-08-02 Fifteen million Americans a year are plagued with alcoholism. Five million of them are women. Many of them, like Caroline Knapp, started in their early teens and began to use alcohol as "liquid armor," a way to protect themselves against the difficult realities of life. In this extraordinarily candid and

revealing memoir, Knapp offers important insights not only about alcoholism, but about life itself and how we learn to cope with it. It was love at first sight. The beads of moisture on a chilled bottle. The way the glasses clinked and the conversation flowed. Then it became obsession. The way she hid her bottles behind her lover's refrigerator. The way she slipped from the dinner table to the bathroom, from work to the bar. And then, like so many love stories, it fell apart. Drinking is Caroline Knapp's harrowing chronicle of her twenty-year love affair with alcohol. Caroline had her first drink at fourteen. She drank through her

years at an Ivy League college, and through an award-winning career as an editor and columnist. Publicly she was a dutiful daughter, a sophisticated professional. Privately she was drinking herself into oblivion. This startlingly honest memoir lays bare the secrecy, family myths, and destructive relationships that go hand in hand with drinking. And it is, above all, a love story for our times—full of passion and heartbreak, betrayal and desire—a triumph over the pain and deception that mark an alcoholic life. Praise for *Drinking* “Quietly moving . . . Caroline Knapp dazzles us with her heady description of alcohol's

allure and its devastating hold.”—Los Angeles Times Book Review “Filled with hard-won wisdom . . . [a] perceptive and revealing book.”—San Francisco Chronicle “Eloquent . . . a remarkable exercise in self-discovery.”—The New York Times “Drinking not only describes triumph; it is one.”—Newsweek

Earth and High Heaven Gwethalyn Graham
2016-01-05 During the summer of 1942, at a time when the world was already embroiled in the Second World War, twenty-eight-year-old Erica Drake meets Marc Reiser at a garden party. Though the two develop an interest in one

another from the start, a seemingly insurmountable rift exists between them—Erica is a Gentile, while Marc is Jewish. However, as their attachment to one another deepens, they soon choose to face the disapproving arguments of their parents as well as their own prejudices. *Earth and High Heaven* was one of the most highly acclaimed and popular books of its time. Published at the end of the Second World War, it won the Governor General's Award and was the first Canadian novel to reach number one on The New York Times Bestseller list. Education During COVID-19 Austin Mardon

2020-10-26 The year 2020 has undoubtedly been one of the most eventful years, to say the least. A virus outbreak that started in Wuhan, China in December 2019, quickly escalated into a global pandemic by march 2020. This outbreak impacted several industries among which was the education industry. Considerable modifications were abruptly made in order to keep up with the chaos of the pandemic. Many educational institutions were shut down in order to reduce the

spread of the virus and in hopes to flatten the curve. As this pandemic was an unprecedented circumstance, many educators and students were unprepared to adjust to the new method of education: the virtual classroom. This book goes into detail and analyzes various aspects of education during COVID-19. Further, the academic and psychological consequences of education during COVID-19 are presented, as well as methods to help combat educational challenges faced during this difficult time.

Sea Swept Erica Cope 2014-11-17 For as long as

she can remember, Addie McKay has had an intense fear of the sea-which made growing up with the Atlantic Ocean as her backyard rather difficult. But something has changed. Lately she has found herself strangely drawn to the ocean. It's as though the sea is casting a spell over her, calling out to her, and she can't help but feel that it coincides with the arrival of the mysterious stranger in town. Addie's never had a reason to step foot in the ocean until one night she's forced to dive into the salty depths. There she makes a startling discovery and exposes a hidden threat looming beneath the surface. Now, Addie knows

there is more to her lifelong fear of the water than she ever imagined possible-and that it may be the only thing keeping her from being swept away by the sea.

Steering the Stars Autumn Doughton 2015-03-06
Two girls. Two stories. One journey. Be careful what you wish for... Aspiring writer Hannah Vaughn worries that she is doomed to live out the rest of her existence in a sleepy Oklahoma town. For as long as she can remember, she's dreamed of something more - adventure, excitement, intrigue. When her sister invites her to London and she's accepted to a prestigious writing

program at The Warriner School, she jumps at the chance. But will it be epic or an epic fail? You'll never know if you don't try... Nothing ever happens to straight-A student Caroline McKain and that's exactly the way she likes it. With her best friend in London and junior year looming on the horizon, all she wants is to remain invisible. So when she is suddenly thrust into the spotlight, she must ask herself: Can an invisible girl really take center stage? Follow Hannah and Caroline as they navigate the complexities of first love, family and growing up. As their bond is tested, the girls will learn that being apart can ultimately

bring you together. Steering the Stars is a fresh, heartfelt story about fate, discovery, and the magic of friendship.

These Broken Dreams Erica Cope 2020-02-11

Before Epilepsy, I never would have noticed Will Marshall, let alone the fact that he comes to every single basketball game and sits alone on the top row. Before, I would never have wondered why he bothers to come at all, but now I'm curious. Really curious. In fact, Will is all I think about now. You see, I've seen him die. No...kill himself. And I need to know why. After a devastating diagnosis, star basketball player

Savannah Cole finds herself treading unfamiliar waters--and sitting on the bench her senior year. With all of her dreams for the future shattered into tiny broken pieces, she isn't sure where she fits in anymore. Daily seizures are wearing her down and making it impossible for her to feel normal--especially because every time she has a seizure, she sees fragments of memories that aren't her own. When the things that she sees during her seizures start occurring in real life, it's enough to make her feel crazy. She wants nothing more than to pretend the visions aren't real, but when she sees one of her classmates

commit suicide, she knows that she can't just ignore them any longer. Savannah sets out, against all odds, to befriend this lonely outcast in the hopes of maybe, just maybe, saving his life.

Willa Cather's The Song of the Lark 2010-01-01

Willa Cather's *The Song of the Lark*, the latest in Rodopi's Dialogue Series, is a collection of thirteen new essays exploring Cather's 1915 classic novel about the coming-of-age of Thea Kronborg, a gifted young opera singer. As in

previous editions in the Dialogue series, this volume on Cather's novel offers analyses by both new and emerging scholars on complex and controversial issues. Specific areas of focus include: the role of the West and the railroad, race and race relations, the performing arts, as well as Cather's complex construction of "culture" throughout the novel. Thea's role as a possible feminist icon receives a fresh, insightful look, while other writers explore the nature of gift and gift-giving as well as the novel's relation to other literary movements and genres. Scholars and the general public will welcome the ways these new

critical insights offer a fresh look at this modern classic.

Ema the Captive Cesar Aira 2016-12-06 Ema The Captive, Cesar Aira's second novel, is perhaps closest in style to his popular *An Episode in the Life of a Landscape Painter* and *The Hare Like the Dawn* Erica Cope 2014-05-23 Mia Carrington has finally done the very thing she was destined to do all along-she's broken the curse on the Dark Elves. In order to make up for

her mistake, Mia has chosen to make the ultimate sacrifice: her mortal life. The Dark Elves are now wreaking havoc on the mortal world while the Light Elves are trying to gain alliances. It seems now that Dugan has come into full power, nobody is brave enough to help defeat him, and the kingdom of Alfheimr cannot do it alone. It's up to Mia to try to persuade the other kingdoms, Raumelfr and Gautelfr, to join in their fight. Only they seem more concerned with frivolous matters- like who will rule beside Mia when she becomes Queen. Now that she has taken her place as King Alberico's rightful heir, there is no shortage

of suitors seeking her hand. But her heart already belongs to somebody, despite the fact that she believes her choice has separated them forever. Mia has made her decision to be immortal and there's no turning back now, but every choice has its consequence and, like the dawn must fade into dusk, every beginning has to come to an end."

The Lock Artist Steve Hamilton 2010-07-08 Prize-winning crime author Steve Hamilton's hugely commercial mainstream breakout tells the extraordinary story of a safe-cracker trying to unlock the key to his past. Michael hit the

headlines once before, a seven-year-old kid the papers called The Miracle Boy on account of how he survived the terrible incident that took his parents. But although his escape was miraculous, it left him unable to speak. Taunted as a freak, school becomes a fresh nightmare, until Michael discovers he has a special talent that makes people sit up and take notice: he can open locks. But a teenage prank, breaking into the house of a rival school's quarterback, lands him in hot water, and despite his best intentions, Michael soon finds himself on a downward slope that ends with expert instruction on how to open safes. And

unless he agrees to put his newfound skills to use, the mob are going to kill the father of the girl he now loves. So begins an extraordinary life of crime - at once terrifying and exhilarating - while all the while, Michael plots how to turn the tables on his employer, win back Amelia, and find the key to unlocking his traumatic childhood memories.

Gravity Melissa West 2012-10-30 A thrilling debut packed with action and mystery. Aliens never looked so good." –Jennifer L. Armentrout, #1 NYT bestselling author In the future, only one rule will matter: Don't. Ever. Peek. Seventeen-year-old Ari

Alexander just broke that rule and saw the last person she expected hovering above her bed – arrogant Jackson Locke, the most popular boy in her school. She expects instant execution or some kind of freak alien punishment, but instead, Jackson issues a challenge: help him, or everyone on Earth will die. Ari knows she should report him, but everything about Jackson makes her question what she's been taught about his kind. And against her instincts, she's falling for him. But Ari isn't just any girl, and Jackson wants more than her attention. She's a military legacy

who's been trained by her father and exposed to war strategies and societal information no one can know – especially an alien spy, like Jackson. Giving Jackson the information he needs will betray her father and her country, but keeping silent will start a war. The Taking series is best enjoyed in order.
