The Social Cancer Jose Rizal 2009-06-01 Filipino national hero Jose Rizal wrote The Social Cancer in Berlin in 1887. Upon his return to his country, he was summoned to the palace by the Governor General because of the subversive ideas his book had inspired in the nation. Rizal wrote of his consequent persecution by the church: "My book made a lot of noise; everywhere, I am asked about it. They wanted to anathematize me ['to excommunicate me'] because of it ... I am considered a German spy, an agent of Bismarck, they say I am a Protestant, a freemason, a sorcerer, a damned soul and evil. It is whispered that I want to draw plans, that I have a foreign passport and that I wander through the streets by night ..."

My Search for Madeleine Jon Clarke 2021-09 Jon Clarke was the first journalist on the scene when Madeleine McCann went missing in 2007... and 14 years later he's still searching for the truth. This book charts his often-frightening journey from the Ocean Club holiday resort in Praia da Luz through many isolated parts of Portugal and Spain and finally into Germany. He meets numerous dark and unusual characters, some who live under the radar, and others who he believes hold the key to what happened to Maddie all those years ago. He points his finger firmly at the new prime suspect Christian Brueckner and explains, in detail and with the help of the people who knew Brueckner best, why he thinks he did it. He traces his grim upbringing, his ease of movement around Europe and also questions the integrity of the Portuguese police and asks if someone, somewhere is covering something up. With unrivalled access to official documents, exclusive interviews and confessions, no stone is left unturned as Jon searches for the truth, often putting himself in considerable danger in the process. This book is a must read for anyone interested in the case, or just someone planning a family holiday in Europe this year. **WHAT THE CRITICS SAY SO FAR...** "Tirelessly researched. Told me a lot of things I didn't know about the case" MARTIN BRUNT, SKY NEWS CRIME CORRESPONDENT "Jon is clearly about as steeped in the story as it's possible to be, and it's a fascinating account of the inner workings of what sounds like an extremely seedy place." SUSIE DOWDALL, DAILY MAIL "Jon Clarke is a remarkably experienced journalist who has dug deeply into the movements and life of German new-age traveler and fixated preferential sex offender Christian Brueckner, who should have been a prime suspect in 2007. "This book breaks a lot of new ground on the case and is a real investigative trawl and deep

dive into the world of organized child traffickers... and he has interviews with all the key players from all over Europe. "It is an investigative man-hunt and Jon's book is compelling. He has a long heritage in the story and his crusade is journalistically sound and his journalistic instincts are sharp." DONAL MACINTYRE, TV PRODUCER AND INVESTIGATOR

Travelling Concepts in the Humanities Mieke Bal 2002-11-02 Attempting to bridge the gap between specialised scholarship in the humanistic disciplines and an interdisciplinary project of cultural analysis, Mieke Bal has written an intellectual travel guide that charts the course 'beyond' cultural studies. As with any guide, it can be used in a number of ways and the reader can follow or willfully ignore any of the paths it maps or signposts. Bal's focus for this book is the idea that interdisciplinarity in the humanities - necessary, exciting, serious - must seek its heuristic and methodological basis in concepts rather than its methods. Concepts are not grids to put over an object. The counterpart of any given concept is the cultural text or work or 'thing' that constitutes the object of analysis. No concept is meaningful for cultural analysis unless it helps us to understand the object better on its own terms. Bal offers the reader a sustained theoretical reflection on how to 'do' cultural analysis through a tentative practice of doing just that. This offers a concrete practice to theoretical constructs, and allows the proposed method more accessibility. Please note: illustrations have been removed from the ebook at the request of the rightsholder.

The Story of Ferdinand Munro Leaf 2017-09-05 Once upon a time in Spain, there was a little bull and his name was Ferdinand . . . Unlike all the other little bulls - who run, jump, and butt their heads together in fights - Ferdinand would rather sit under his favourite cork tree and smell the flowers. So what will happen when Ferdinand is picked for the bull fights in Madrid? Beloved all over the world for its timeless message of peace, tolerance and the courage to be yourself, this truly classic story has never been out of print in the US since its release in 1936. Hitherto unpublished in the UK and now a major motion picture.
