Scotland, the Autobiography Rosemary Goring 2008 A detailed account of Scottish history covers both historical events and everyday points of interest, citing the contributions of such figures as Mary Queen of Scots and Oliver Cromwell while drawing on the experiences of firsthand witnesses from all walks of life. 17,500 first printing.

Scotland: A Very Short Introduction Robert Allan Houston 2008-11-27 This Very Short Introduction explores the key themes from more than 1,000 years of Scotland's fascinating history. Covering everything from the Jacobites to devolution to the modern economy, this concise account presents a fully-integrated picture of what Scottish society, culture, politics and religion look like, and why.

Scotland: Her Story Rosemary Goring 2018-10-18 Scotland's history has been told many times, but never exclusively by its women. This book takes a unique perspective on dramatic national events as well as ordinary life, as experienced by women down the centuries. From the saintly but severe medieval Queen Margaret to today's first minister Nicola Sturgeon, it encompasses women from all stations of class and fame and notoriety, offering a tantalising view of what happened to them, and how they felt. Drawing on court and kirk records, exchequer rolls and treasurer's accounts, diaries and memoirs, chap books and newspapers, government reports and eye-witness statements, **Scotland: Her Story** brings to life the half of history that has for too long been hidden or ignored.

All That Remains Sue Black 2018-04-19 'Utterly gripping' - The Guardian 'Fascinating' - The Sunday Times 'Moving' - Scotsman 'Engrossing' - Financial Times Sue Black confronts death every day. As a Professor of Anatomy and Forensic Anthropology, she focuses on mortal remains in her lab, at burial sites, at scenes of violence, murder and criminal dismemberment, and when investigating mass fatalities due to war, accident or natural disaster. In **All That Remains** she reveals the many faces of death she has come to know, using key cases to explore how forensic science has developed, and examining what her life and work has taught her. Do we expect a book about death to be sad? Macabre? Sue's book is neither. There is tragedy, but there is also humour in stories as gripping as the best crime novel. Part memoir, part science, part meditation on death, her book is compassionate, surprisingly funny, and it will make you think about death in a new light. _____ SUE BLACK'S NEW BOOK, WRITTEN IN BONE, IS OUT NOW _____ 'One might expect [this book] to be a grim read but it absolutely isn't. I found it invigorating!' (Andrew Marr, BBC Radio 4 'Start the Week') 'Black's utterly gripping account of her life and career as a professor of anatomy and forensic anthropology manages to be surprisingly life-affirming. As she herself says, it is "as much about life as about death"' (PD Smith Guardian) 'An engrossing memoir . . . an affecting mix of personal and professional' (Erica Wagner, Financial Times) 'A model of how to write about the effect of human evil without losing either objectivity or sensitivity . . . Heartening and anything but morbid . . . Leaves you thinking about what kind of human qualities you value, what kinds of people you actually want to be with' (Rowan Williams, New

Statesman) 'For someone whose job is identifying corpses, Sue Black is a cheerful soul . . . All That Remains feels like every episode of 'Silent Witness', pre-fictionalised. Except, you know, really good' (Helen Rumbelow, The Times)

The Highland Clans Alistair Moffat 2013-02-01 "A brisk and accessible guide to a thousand years of reiving and rivalry in the Highlands." –The Scotsman

Born Fighting James Webb 2011-01-25 More than 27 million Americans today can trace their lineage to the Scots, whose bloodline was stained by centuries of continuous warfare along the border between England and Scotland, and later in the bitter settlements of England's Ulster Plantation in Northern Ireland. When hundreds of thousands of Scots-Irish migrated to America in the eighteenth century, they brought with them not only long experience as rebels and outcasts but also unparalleled skills as frontiersmen and guerrilla fighters. Their cultural identity reflected acute individualism, dislike of aristocracy and a military tradition; and, over time, the Scots-Irish defined the attitudes and values of the military, of working-class America and even of the peculiarly populist form of American democracy itself. *Born Fighting* is the first book to chronicle the epic journey of this remarkable ethnic group and the profound but unrecognised role it has played in shaping the social, political and cultural landscape of America from its beginnings through to the present day.

I Am An Island Tamsin Calidas 2020-05-07 THE SUNDAY TIMES BESTSELLER 'Memoir of the year' - Vogue 'A wondrous, sensuous memoir of salt-stung survival . . . clear-eyed and poetic prose' Sunday Times 'A fascinating memoir' - Daily Mail When Tamsin Calidas first arrives on a remote island in the Scottish Hebrides, it feels like coming home. Disenchanted by London, she and her husband left the city and high-flying careers to move the 500 miles north, despite having absolutely no experience of crofting, or of island life. It was idyllic, for a while. But as the months wear on, the children she'd longed for fail to materialise, and her marriage breaks down, Tamsin finds herself in ever-increasing isolation. Injured, ill, without money or friend she is pared right back, stripped to becoming simply a raw element of the often harsh landscape. But with that immersion in her surroundings comes the possibility of rebirth and renewal. Tamsin begins the slow journey back from the brink. Startling, raw and extremely moving, *I Am An Island* is a story about the incredible ability of the natural world to provide when everything else has fallen away - a stunning book about solitude, friendship, resilience and self-discovery.

My Heart is My Own John Alexander Guy 2004 This book is a reinterpretation of the life of Mary, Queen of Scots. John Guy returns to the archives to explode the myths and correct the inaccuracies that surround this most fascinating monarch. He also explains a central mystery: why Mary would have consented to marry - only three months after the death of her second husband, Lord Darnley - the man who was said to be his

killer, the Earl of Bothwell. He also solves, through careful re-examination of the Casket Letters, the secret behind Darnley's spectacular assassination at Kirk o'Field.

Mary Queen of Scots John Guy 2018-11-27 Soon to be a major motion picture from Focus Films, a biography, "as enthralling as a detective story," (New York Times) of the woman who reigned over sixteenth-century Scotland.

Homecoming Rosemary Goring 2022-10-04 In this book, Rosemary Goring tells the story of Mary's Scottish years through the often dramatic and atmospheric locations and settings where the events that shaped her life took place and also examines the part Scotland, and its tumultuous court and culture, played in her downfall.

The Island Home Libby Page 2021-06-24 Two decades. Hundreds of miles. A lifetime of secrets. Can coming home mean starting again? 'A perfect, warm escape from these cold, dark times' Kate Eberlen 'Bursting with hope and heart' Cathy Bramley 'Wonderfully engaging . . . beautifully drawn' Mike Gayle 'Radiates warmth, happiness and hope' Veronica Henry ----- Lorna's world is small but safe. She loves her daughter, and the two of them is all that matters. But after nearly twenty years, she and Ella are suddenly leaving London for the Isle of Kip, the tiny remote Scottish island where Lorna grew up. Alice's world is tiny but full. She loves the community on Kip, her yoga classes drawing women across the tiny island together. Now Lorna's arrival might help their family finally mend itself - even if forgiveness means returning to the past... ----- Join the community of bestselling authors who love Libby's hopeful, moving storytelling! 'A wonderfully evocative and enveloping novel about the joys and comforts of community and friendship and a perfect, warm escape from these cold, dark times' Kate Eberlen, author of *Miss you and Only You* 'A tender tale about stepping out of the shadows of the past and navigating the route to a brighter future....this book not only takes the reader on a journey, but reminds us of the importance of finding our way back home' Mike Gayle, author of *All The Lonely People* 'The Island Home radiates warmth, happiness and hope. Libby is a truly gifted writer who weaves magic with her every word. Every page is a delight - gentle, comforting, reassuring and utterly charming' Veronica Henry, author of *The Beach Hut* series 'A tender, life-affirming story bursting with hope and heart' Cathy Bramley, author of *My Kind of Happy* 'A joy-filled love letter to the power of community and connection, and a sensitive commentary on loneliness and forgiveness too, all of which is conveyed with huge warmth and affection' Celia Reynolds, author of *Finding Henry Applebee* 'A tender, heartfelt story, *The Island Home* explores every aspect of love and shows us it's never too late to fix what's broken. I left my heart with Lorna and Alice on the Isle of Kip' Lindsey Kelk, author of *In Case You Missed It* 'A gorgeous, heart-lifting story of families and the secrets that bind us, with a setting that you can lose yourself in' Rachael Lucas, author of *The Village Green Bookshop*

England: The Autobiography none 2006-07-06 Fountainhead of democracy, engine of the Industrial Revolution, epicentre of the globe's greatest empire and the first-ditch stand against an expansionist Germany in two world wars: England's history is among the most fascinating and influential the world has ever known. This volume presents that history in unique form: first-hand, through the words of those who saw it and those who made it. All the great events of the last 2,000 years are here: the Norman Conquest, Magna Carta, the Peasants' Revolt, Henry VIII's break with Rome, the Great Fire of London, Nelson at Trafalgar, two world wars. Alongside these are the less obvious happenings which together capture the nation's social history, such as the Black Death of 1349 or life as a chimney sweep in 1817. And of course there are the things that have shaped the nature of 'Englishness', like theatregoing in Elizabethan London, fox hunting in 1898, Oates's self-sacrifice at the South Pole, the Beatles and the 1966 World Cup. Presented chronologically and a joy to read whether cover-to-cover or dipped into as a treasury of sources, *England: The Autobiography* offers an intimate, vivid and revealing portrait of England and the English - and the unique place of both in world history.

Dacre's War Rosemary Goring 2015-06-16 Praise for *After Flodden* 'A swashbuckling tale in the best tradition of adventure fiction ... charged with melancholy and menace' - Times 'A highly readable tale that beautifully evokes the chaos in the aftermath of the disastrous battle' - Scottish Field 'A well-crafted tale which drives forward with unremitting pace' - Scotland on Sunday 'Very good indeed, and hugely enjoyable' - Allan Massie, Scotsman 'A compelling story that weaves deftly amongst historical fact and fiction' - We Love This Book '[A] beautiful and highly acclaimed debut novel' - Observer 'A fast-paced adventure story that will delight fans of the genre' - The Lady 'Goring has a fine story to tell, a keen sense of place, and the ability to evoke mood.

It's a compelling and gripping novel' - Scotsman *Dacre's War* is a story of personal and political vengeance. Ten years after the battle of Flodden, Adam Crozier, head of his clan and of an increasingly powerful alliance of Borderers, learns for sure that it was Lord Thomas Dacre - now the most powerful man in the north of England - who ordered his father's murder. He determines to take his revenge. As a fighting man, Crozier would like nothing better than to bring Dacre down face to face but his wife Louise advises him that he must use more subtle methods. So he sets out to engineer Dacre's downfall by turning the machinery of the English court against him. A vivid and fast-moving tale of political intrigue and heartache, *Dacre's War* is set against the backdrop of the Scottish and English borders, a land where there is never any chance of peace.

[Western Europe 2019-2020](#) 2019-10-31 The World Today Series: Western Europe is an annually updated presentation of each sovereign country in Western Europe, past and present. Now in its 37th edition, the content is thorough yet perfect for a one-semester introductory course or general library reference. Available in both print and e-book formats and priced low to fit student budgets.

How the Scots Invented the Modern World Arthur Herman 2007-12-18 An exciting account of the origins of the modern world Who formed the first literate society? Who invented our modern ideas of democracy and free market capitalism? The Scots. As historian and author Arthur Herman reveals, in the eighteenth and nineteenth centuries Scotland made crucial contributions to science, philosophy, literature, education, medicine, commerce, and politics—contributions that have formed and nurtured the modern West ever since. Herman has charted a fascinating journey across the centuries of Scottish history. Here is the untold story of how John Knox and the Church of Scotland laid the foundation for our modern idea of democracy; how the Scottish Enlightenment helped to inspire both the American Revolution and the U.S. Constitution; and how thousands of Scottish immigrants left their homes to create the American frontier, the Australian outback, and the British Empire in India and Hong Kong. *How the Scots Invented the Modern World* reveals how Scottish genius for creating the basic ideas and institutions of modern life stamped the lives of a series of remarkable historical figures, from James Watt and Adam Smith to Andrew Carnegie and Arthur Conan Doyle, and how Scottish heroes continue to inspire our contemporary culture, from William “Braveheart” Wallace to James Bond. And no one who takes this incredible historical trek will ever view the Scots—or the modern West—in the same way again.

The Scottish Clearances T. M. Devine 2018-10-04 'A superb book ... Anybody interested in Scottish history needs to read it' Andrew Marr, Sunday Times Eighteenth-century Scotland is famed for generating many of the enlightened ideas which helped to shape the modern world. But there was in the same period another side to the history of the nation. Many of Scotland's people were subjected to coercive and sometimes violent change, as traditional ways of life were overturned by the 'rational' exploitation of land use. *The Scottish Clearances* is a superb and highly original account of this sometimes terrible process, which changed the Lowland countryside forever, as it also did, more infamously, the old society of the Highlands. Based on a vast array of original sources, this pioneering book is the first to chart this tumultuous saga in one volume, with due attention to evictions and loss of land in both north and south of the Highland line. In the process, old myths are exploded and familiar assumptions undermined. With many fascinating details and the sense of an epic human story, *The Scottish Clearances* is an evocative memorial to all whose lives were irreparably

changed in the interests of economic efficiency. This is a story of forced clearance, of the destruction of entire communities and of large-scale emigration. Some winners were able to adapt and exploit the new opportunities, but there were also others who lost everything. The clearances created the landscape of Scotland today, but it came at a huge price.

The Scottish Nation Thomas Martin Devine 2012 'The Scottish Nation, 1700-2007' examines the social, political, religious and economic factors that have shaped modern Scotland. Devine places Scotland firmly within an international context and provides a key focus for the ongoing debate regarding Scotland's future.

A Childhood in Scotland Christian Miller 1989 In this perceptive but unpretentious autobiography, Christian Miller recalls her privileged yet simultaneously deprived 1920s upper-class childhood in a castle in the Scottish highlands, giving readers an insight into the last relics of feudal life. A Childhood in Scotland describes a youth in a world where shooting came second only to religion, where questions were frowned upon, and reading seen as a waste of time.

Scotland: Her Story Rosemary Goring 2019-09-19 A landmark publication: the first-ever history of Scotland told from the perspective of women - the half of history that we forgot

Scotland Michael Lynch 1992 This book spans twenty centuries from the Picts to the present day. It covers: Columba; Bannockburn; Robert Bruce; the nobles; Home Rule; Kenneth Mac Alpin; the wars of Independence; the union of the crowns; Mary Queen of Scots; the Covenanters; the Reformation; Flodden; the Industrial Revolution; James VI; Thomas Chalmers; the union of Parliament; John Knox; the Canmore dynasty; Glencoe; the Enlightenment; the Highland Clearances; devolution and the Jacobites.

Western Europe 2022-2023 Wayne C Thompson 2022-08-15 Western Europe 2020-2022 provides students with vital information on all countries on the African continent through a thorough and expert overview of political and economic histories, current events, and emerging trends.

Celtic's Lost Legend Brian Cooney 2019-06-06 The incredible truth behind the legend of George Connelly Hailed as the greatest Scottish talent of his generation, George Connelly made 254 appearances for Celtic and played in the Scotland team that qualified for the 1974 World Cup Finals. But at the age of 26 he walked away from football and the promise of a glittering career. So, what went wrong? George Connelly had a rare talent. He could pass long or short with unerring accuracy, could entertain crowds with his keepie-uppie skills and seemed to have the world at his feet. But with a troubled private life and the pressures of stardom weighing on his shoulders, the man behind the laidback exterior was falling apart. In Celtic's Lost Legend, George Connelly tells the remarkable story of why he walked away from his dreams and from the team he loved. Here, at last, he answers the question that has intrigued football fans for more than forty years.

Whatever became of George Connelly?

Connecting Scotland's History ANNA. GROUNDWATER 2020-11-15 This is a book that makes sense of the complexities of Scottish history in an insightful way, at a glance. Anna Groundwater has long experience of dealing with British, foreign and Scottish students, of all ages, who are bewildered by the huge task of trying to reconcile the development of Scotland as a nation with what they know of global history. Over time she has developed a way of presenting Scottish history, within a simple framework of dates, which students find helpful.

Scotland Alistair Moffat 2015-09-22 'Alistair Moffat's Bannockburn is a pacy account of the days leading up to the battle' - Saturday Herald 'A carefully considered account of a well-trodden historical event, Moffat enlightens and educates with an up-to-date interpretation of a battle firmly cemented in Scottish history' - Scottish Field 'Mr Moffat's account of the duel between Bruce and de Bohun is totally gripping and he is particularly enthralling about the councils of war on the eve of the second day's battle' - Country Life From the Ice Age to the recent Scottish Referendum, historian and author Alistair Moffat explores the history of the Scottish nation. As well as focusing on key moments in the nation's history such as the Battle of Bannockburn and the Jacobite Risings, Moffat also features other episodes in history that are perhaps less well documented. From prehistoric timber halls to inventions and literature, Moffat's tale explores the drama of battle, change, loss and invention interspersed with the lives of ordinary Scottish folk, the men and women who defined a nation.

Western Europe 2018-2019 Wayne C. Thompson 2018-08-31 The World Today Series: Western Europe is an annually updated presentation of each sovereign country in Western Europe, past and present.

Scotland: The Autobiography Rosemary Goring 2008-05-29 Now in a revised edition with extra material and a new introduction for 2014. 'In a year which will see the Scots vote on independence, this book is a timely reminder of their country's fascinating past' Independent 'History caught on the hoof and the wing by those who were actually there - a brilliant selection' Andrew Marr A vivid, wide-ranging and engrossing account of Scotland's history, composed of eye-witness accounts by those who experienced it first-hand. Contributors range from Tacitus, Mary Queen of Scots and Oliver Cromwell to Adam Smith, David Livingstone and Billy Connolly. These include key historic moments - ranging from Bannockburn and Flodden to the SNP parliamentary victory in 2007 - along with a vast array of wonderfully readable insights into the everyday life of Scotland through the millennia. This is living, accessible history told by crofters, criminals, servants, housewives, poets, journalists, nurses, politicians, novelists, prisoners, comedians, sportsmen and many more. 'An unqualified triumph, superb, a real page-turner . . . what a stirring, dramatic, poignant story it has been'

Alexander McCall Smith, Spectator 'Fascinating and very valuable. Goring gives us vivid snapshots of Scottish life and history from Neolithic times . . . should find a place in every Scottish home' Allan Massie, Scotsman
Rosemary Goring took a degree in Economics and Social History at St Andrews University. She started her career in publishing in the role of in-house editor for Chambers Biographical Dictionary and has since edited and written for many reference books, among them the Larousse Dictionaries of Writers and Literary Characters. She was Literary Editor of Scotland on Sunday for several years before becoming Literary Editor of the Herald.

USER-FRIENDLY LAYOUT With helpful icons, and organised by neighbourhood to help you pick the best spots to spend your time.

After Flodden Rosemary Goring 2013-06-06 Patrick Paniter was James IV's right-hand man, a diplomatic genius who was in charge of the guns at the disastrous battle of Flodden in September 1513 in which the English annihilated the Scots. After the death of his king he is tormented by guilt as he relives the events that led to war. When Louise Brenier, daughter of a rogue sea trader, asks his help in finding out if her brother Benoit was killed in action, it is the least he can do to salve his conscience. Not satisfied with the news he brings, Louise sets off to find out the truth herself, and swiftly falls foul of one of the lawless clans that rule the ungovernable borderlands. After Flodden is a novel about the consequences of the battle of Flodden, as seen through the eyes of several characters who either had a hand in bringing the country to war, or were profoundly affected by the outcome. There have been very few novels about Flodden, despite its significance, and none from this perspective. It's a racy adventure, combining political intrigue and romance, and its readership will be anyone who loves historical fiction, or is interested in the history of Scotland and the turbulent, ungovernable borderlands between Scotland and England.

The Summer Isles Philip Marsden 2019-10-03 In an old wooden sloop, Philip Marsden plots a course north from his home in Cornwall. He is sailing for the Summer Isles, a small archipelago near the top of Scotland that holds for him a deep and personal significance. On the way, he must navigate the west coast of Ireland and the Inner Hebrides. Bearing the full force of the Atlantic, it is a seaboard which is also a mythical frontier, a place as rich in story as anywhere on earth. Through the people he meets and the tales he uncovers, Marsden builds up a haunting picture of these shores - of imaginary islands and the Celtic otherworld, of the ageless draw of the west, of the life of the sea and perennial loss - and the redemptive power of the imagination. Exhilarating and poignant, Marsden's prose has been widely praised. Bringing together themes he has been pursuing for many years, *The Summer Isles* is an unforgettable account of the search for actual places, invented places, and those places in between that shape the lives of individuals and entire nations.
Three Things You Need to Know About Rockets Jessica A. Fox 2013-08-27 With a high-stress job at NASA,

Jessica Fox found herself looking for a break and promptly arrived in Scotland, where she would spend the next month living above a bookshop, and taking the path less traveled.

[The Battle for Scotland](#) Andrew Marr 2013 "Andrew Marr's first book tells the distinctive story of Scottish politics - now updated with a new introductory chapter. 'We may be about to see a new country - indeed, two new countries, - emerging on these islands. Half a lifetime ago, I sat down to write this book as a work of history. As it's aged, it's become current affairs.' Just twenty years ago it seemed impossible that Scotland would ever get home rule, let alone full independence. Yet very soon there will be a Scottish referendum which will not only decide on this matter but which will have profound consequences for the future of all people on these islands. In *The Battle for Scotland*, first published in 1992, Andrew Marr provides the historical backdrop to these extraordinary events. He attempts to explain the deep sources of Scottish national feeling and the political will which has brought us to this deeply uncertain time. And in a substantial new introduction, Marr considers how we got here so suddenly, what the stakes really are and what the questions every voting Scot (and every non-voting UK citizen) will be asking themselves. Andrew Marr was born in Glasgow. He graduated from Cambridge University and has enjoyed a long career in political journalism, working for the Scotsman, the Independent, the Economist, the Express and the Observer. From 2000 to 2005 he was the BBC's Political Editor. Andrew's broadcasting includes series on contemporary thinkers for BBC 2 and Radio 4, political documentaries for Channel 4 and BBC Panorama, and Radio 4's 'Start The Week'--Publisher's description.

[A People's History of Scotland](#) Chris Bambery 2014-06-01 Nation, people, land: the first history from below of Scotland in over sixty years *A People's History of Scotland* looks beyond the kings and queens, the battles and bloody defeats of the past. It captures the history that matters today, stories of freedom fighters,

suffragettes, the workers of Red Clydeside, and the hardship and protest of the treacherous Thatcher era. With riveting storytelling, Chris Bambery recounts the struggles for nationhood. He charts the lives of Scots who changed the world, as well as those who fought for the cause of ordinary people at home, from the poets Robbie Burns and Hugh MacDiarmid to campaigners such as John Maclean and Helen Crawford. This is a passionate cry for more than just independence but also for a nation based on social justice.

[A History Of Scotland](#) Neil Oliver 2009-12-17 The dramatic story of Scotland - by charismatic television historian, Neil Oliver. Scotland is one of the oldest countries in the world with a vivid and diverse past. Yet the stories and figures that dominate Scottish history - tales of failure, submission, thwarted ambition and tragedy - often badly serve this great nation, overshadowing the rich tapestry of her intricate past. Historian Neil Oliver presents a compelling new portrait of Scottish history, peppered with action, high drama and centuries of turbulence that have helped to shape modern Scotland. Along the way, he takes in iconic landmarks and historic architecture; debunks myths surrounding Scotland's famous sons; recalls forgotten battles; charts the growth of patriotism; and explores recent political developments, capturing Scotland's sense of identity and celebrating her place in the wider world.

[Queen of Scots](#) John Alexander Guy 2005 A new historian of Mary Queen of Scots draws on new sources to shatter various myths surrounding this odd monarch and uncover some of the scandals and political machinations underpinning, and undermining, her throne. Winner of the Whitbread Award for Biography. Reprint.

[The Kings and Queens of Scotland](#) Richard Oram 2021-04 Colourful and complex history of the Kings and Queens of Scotland
