Dirk Struan rose from humble beginnings to build Struan & Company, also known as the Noble House, into the world's largest Far East trading company. He is now the Tai-Pan--Supreme Leader--of all Tai-Pans in China. Along the way, however, he made a powerful enemy. Tyler Brock, Struan's rival from their early opium-smuggling days, also heads a large trading fleet, second in size only to Struan's. But it is not only silks and spices that drive their mutual companies' wealth--the opium trade is still booming. War between England and China might be over, but the hostilities remain. Struan and Brock come to control much of England's trade with China yet neither can control their desires or their

hatred of each other. Over the years, their two families will cross paths, threatening to rip both apart, with reverberations that will echo across the generations. Struan must fight to save his company and his family, or risk seeing everything he has created destroyed at the hands of his sworn enemy. Ambition, political intrigue, and love and lust weave their way throughout the novel the New York Times called, "grand entertainment...packed with action...with blood and sin, treachery and conspiracy, sex and murder." East and West come together in an opulent and intricately plotted narrative. A tour-de-force of historical fiction, rich in detail yet eminently readable, Tai-Pan will stay with you long after the final page.

Thought Vibration William
Walker Atkinson 2017-07-06

This eBook edition of
"Thought Vibration" has
been formatted to the
highest digital standards
and adjusted for readability
on all devices. Extract: "The
Universe is governed by Law
- one great Law. Its
manifestations are
multiform, but viewed from
the Ultimate there is but one
Law. We are familiar with
some of its manifestations,
but are almost totally
ignorant of certain others.
Still we are learning a little
more every day - the veil is
being gradually lifted. We
speak learnedly of the Law
of Gravitation, but ignore
that equally wonderful
manifestation, THE LAW OF
ATTRACTION IN THE

THOUGHT WORLD. We are
familiar with that wonderful
manifestation of Law which
draws and holds together
the atoms of which matter is
composed - we recognize
the power of the law that
attracts bodies to the earth,
that holds the circling worlds
in their places, but we close
our eyes to the mighty law
that draws to us the things
we desire or fear, that
makes or mars our lives."

William Walker Atkinson
(1862-1932) was a prolific
writer. His works treat
themes related to the
mental world, occultism,
divination, psychic reality,
and mankind's nature. They
constitute a basis for what
Atkinson called "New
Psychology" or "New
Thought".
