to do by reading this workbook. 1. Education You may have been told in the past to "learn to live with it" and "nothing can be done." This is not true. Doing the activities in this workbook can help you learn to manage your reactions to tinnitus and make it less of a problem. 2. Use of Sound

## THE SILVA METHOD™

The left side represents the body; the center section, the brain; the right side, the mind and mental functioning levels. Far left, the scale marked with numbers represents brain frequency in cycles per second, called hertz. Ver-tically, it is organized into ranges of brain wave frequencies identified by name; the beta, alpha, theta, and delta frequency ranges. The chart is set up in a ...
