A Cry From the Dead James Guthrie
2018-01-21 Excerpt from *A Cry From the Dead: Consisting of the Justly Celebrated Mr. James Guthrie's Last Sermon, Preached at Stirling, Before His Martyrdom at Edinburgh, in June, 1661, With His Last Speech on the Scaffold, and Ten Considerations Anent the Decay of Religion, From 1650 to 1660* That the same spirit of God, and of glory, which enabled the worthy author of the following papers to contend unto death, for the royal prerogatives of his great Master, the only Head, King, and Law-giver of his church, may, in the perusal of the following testimonies, enter into the soul of every reader, is the prayer and desire of him who is thine in the work of the gospel of Christ Jesus. The Book of the Dead John Mitchinson
2010-09-07 The team behind the New York Times bestseller *The Book of*

General Ignorance turns conventional biography on its head—and shakes out the good stuff. Following their Herculean—or is it Sisyphean?—efforts to save the living from ignorance, the two wittiest Johns in the English language turn their attention to the dead. As the authors themselves say, “The first thing that strikes you about the Dead is just how many of them there are.” Helpfully, Lloyd and Mitchinson have employed a simple—but ruthless—criterion for inclusion: the dead person has to be interesting. Here, then, is a dictionary of the dead, an encyclopedia of the embalmed. Ludicrous in scope, whimsical in its arrangement, this wildly entertaining tome presents pithy and provocative biographies of the no-longer-living from the famous to the undeservedly and—until

now—permanently obscure. Spades in hand, Lloyd and Mitchinson have dug up everything embarrassing, fascinating, and downright weird about their subjects' lives and added their own uniquely irreverent observations. Organized by capricious categories—such as dead people who died virgins, who kept pet monkeys, who lost limbs, whose corpses refused to stay put—the dearly departed, from the inventor of the stove to a cross-dressing, bear-baiting female gangster finally receive the epitaphs they truly deserve. Discover: * Why Freud had a lifelong fear of trains * The one thing that really made Isaac Newton laugh * How Catherine the Great really died (no horse was involved) Much like the country doctor who cured smallpox (he's in here), Lloyd and Mitchinson have the

perfect antidote for anyone out there dying of boredom. The Book of the Dead—like life itself—is hilarious, tragic, bizarre, and amazing. You may never pass a graveyard again without chuckling.

Understanding Death as Life's Paradox

Brayton Polka 2019-04-30 This book focuses on death as life's paradox in order to test, to put on trial, what it means for us human beings to exist. No one of us chooses to be born. Yet, having been born, we must choose to have been born, to live, to exist. To exist is to choose to exist. To choose to exist is to live with our choices. This text argues that death is the limit of life, that we can live freely and lovingly, at once justly and compassionately, solely within the limit of death. It shows that we can develop a comprehensive conception of life, and also of death, solely insofar as we learn to overcome the dualistic opposition between philosophy and theology that continues today to falsify our understanding of not only the secular, but also the sacred.
