## The Joe Ledger Series, Thus Far

Jonathan Maberry 2016-05-31 #1 New York Times bestselling author Jonathan Maberry is a master of horror. His imagination is the fodder for our worst nightmares. Here together for the first time are eight novels of Maberry's spine-tingling Joe Ledger series: Patient Zero introduces readers to the legend that is Joe Ledger and to the secret government agency, the Department of Military Sciences (DMS) that recruits him. Terrorists have a death-defying bioweapon that threatens to turn innocent civilians into man-eating zombies. In Dragon Factory, Joe Ledger and the DMS face-off against two competing groups of geneticists. One side is creating exotic transgenic monsters and enhanced mercenary armies; the other is using modern technology to continue the Nazi Master Race program begun by Josef Mengele. King of Plagues introduces Joe and his DMS team to a massively powerful secret society bent on world destruction. They plan to use the Ten Plagues of Egypt to destroy global economies unless Joe can stop them. In Assassin's Code, Joe Ledger and Echo Team go on a

relentless chase to stop an ancient order of killers from plunging the world into Holy War. When they rescue American hostages, the Iranian government asks them to help find six nuclear bombs, a chase that leads them into vaults of forbidden knowledge, mass-murder, and a brotherhood of genetically-engineered blood-thirsty killers. Extinction Machine finds UFOs in the sky, the president of the United States missing, and Joe Ledger and the Department of Military Sciences rushing headlong into the world's deadliest arms race. The global sprint to retro-engineer alien technologies halts when someone—or something—wants that technology back. Code Zero is the exciting and direct sequel to Patient Zero. A highly elite team of killers breaks through unbreakable security and steals the world's most dangerous weapons. Within days there are outbreaks of mass slaughter and murderous insanity. Joe Ledger must stop the Land of the Free from turning into a land of the dead. When armies of killer drones explode across the nation, on baseball's opening day, Joe Ledger and his team realize that American technology has been

compromised at all levels, most importantly, on Air Force One. The president is trapped, and the plane is now a missile; it has become Predator One. In *Kill Switch*, a terrifying new kind of assassin has the power to take over people's minds in order to wreak chaos on the world. A terrorist group has acquired one hundred E-bombs. Each bomb's electromagnetic pulse is powerful enough to blow out all power and all technology from a major city. Joe must stop the criminals waiting for the lights to go out.

At the same time, the intelligence services are being torn apart from within by a plague of betrayal, murder, and suicide. Even the Department of Military Sciences is stumbling in its response to the growing threat. Time is running out, and Joe is being hunted by a terrifying new kind of assassin. A team of remote viewers have the ability to take over any person and turn ordinary citizens into killers. Where can you turn when there's nobody left to trust? **Sovereign** Ted Dekker 2014-03-25 Nine years after Rom Sebastian was thrust into the most unlikely of circumstances as hero and bearer of an unimaginable secret, the alliance of his followers is in disarray. An epic battle with The Order has left them scattered and deeply divided both in strategy and resolve in their struggle to become truly alive and free. Only 49 truly alive followers remain loyal to Rom. This meager band must fight for survival as The Order is focused on their total annihilation. Misunderstood and despised, their journey will be one of desperation against a new, more intensely evil Order. As the hand of this evil is raised to strike and destroy them they must rely on their faith in the abiding power of love to overcome all and lead them to sovereignty. SOVEREIGN wonderfully continues the new testament allegory that was introduced in FORBIDDEN and continued in MORTAL.
